

We educate, equip, encourage and empower girls to reach their full potential and prepare for the future. Through evidence-based programming and advocating for girls and their futures, we strive to reduce barriers in girls' lives that stem from the violence, poverty and inequity they encounter in their home, school, relationships, community or online. Girls Inc. inspires all girls to be strong, smart, and bold.

When this fiscal year began in July 2021, we had already lived through more than a year of the pandemic, yet the year brought additional challenges as Girls Inc. of Tarrant County continued to support girls and their communities as we navigated well-being and educational challenges.

We thank our partners and sustaining funders whose investment in Girls Inc.'s mission allowed our team to focus on high impact programs and expanding the scope of our services to meet the needs of girls and their families. Your commitment to girls and Girls Inc.'s mission has and will truly shape their future and in turn, our Tarrant County community's future.

Jennifer Limas
Chief Executive Officer
